## REMINDER – Snow Plowing

### Winter Season is upon us and the Snow is here:

Public Works Department would like to remind the residents that will be plowing snow at their driveway entrances to have the snow moved well into the right-hand corner of the entrance ditch.

This improves the ability for the grader operators to minimize the amount of snow left at driveway entrances while grading **County roads**.  
In addition – Residents are asked not to leave ridges of snow on the County Roads. *Thank You for your cooperation!*

### IMPORTANT NOTICE

### FIRE NEWS

Smoky Lake County would like to remind everyone that you must obtain a Burning Permit before lighting any fire.

Burn Permits are required year round and can be obtained by calling the County Office at 656-3730.

*Thank You for your cooperation in this matter!*
