

SMOKY LAKE COUNTY

Title: Equipment Changeover for Seasonal Preparation	Policy No.: 55-02
Section: 03	Code: P-R
Page No.: 1 of 1	

Legislation Reference:	Alberta Provincial Statutes
-------------------------------	-----------------------------

Purpose:	To provide a guideline to allow for proper servicing of equipment for seasonal preparation.
-----------------	---

Policy Statement and Guidelines:
<p>1. OBJECTIVES:</p> <p style="margin-left: 40px;">1.1. To allow the Public Works mechanical staff sufficient time to repair and/or convert road equipment to Winter operations, October 1st of each year has been arbitrarily chosen as the date road equipment will begin to be repaired/converted. For converting equipment from Winter operations, road equipment will be converted starting April 1st of each year.</p> <p>2. GUIDELINES:</p> <p style="margin-left: 40px;">2.1. Through budgetary efficiency, most County owned road equipment, i.e. trucks and graders, provide road maintenance services all year round.</p> <p>3. PROCEDURES:</p> <p style="margin-left: 40px;">3.1 Conversions will be done on an individual rotational basis in order to minimize the overall impact on seasonal operations. Once a piece of equipment has been converted, it shall once again be sent out to carry on with any maintenance needs.</p> <p style="margin-left: 40px;">3.2 Appropriate equipment should be available to provide the level of service as indicated in <i>Schedule "A": Levels of Service for County Roadway System</i> and in accordance with <i>Policy Statement No. 03-51: Road Maintenance</i>.</p>
