

SMOKY LAKE COUNTY

Title: Water Sampling Procedures	Policy No.: 02-02
Section: 04	Page No.: 1 of 1

Legislation Reference:	Alberta Provincial Statutes
-------------------------------	-----------------------------

Purpose:	To establish a procedure to ensure consistent monitoring of water quality and ensure that a standard practice of water sampling is followed throughout the Smoky Lake County Region.
-----------------	--

Policy Statement and Guidelines:

ACTION STEPS:

1. Samples will be collected at specified lake ground water wells (from May 1 to October 1), Spedden Water Filling Station, and the Hamlet of Warspite Water System (weekly).
2. Samples will be collected and sent to the Provincial Laboratory of Public Health, University of Alberta, through the Regional Health by their Courier.
3. Upon receipt of the water sample printed report, personnel will review and initial all reports. Upon any discrepancies, a re-sample may be necessary and re-sent to the lab. Other discrepancies must be reported to the immediate supervisor or the Chief Administrative Officer, and in their absence to the local inspector and documented on the water report as to the action taken.
4. All documentations, reports, and monthly summaries will be filed in a Binder labeled “**Water Samples**” in the main County Office. Staff will be instructed with the location and contents.
