

# SMOKY LAKE COUNTY

<b>Title:</b> Gas Leak Reporting Incentive	<b>Policy No.:</b> 14-01
<b>Section:</b> 09	<b>Page No.:</b> 1 of 1

<b>Legislation Reference:</b>	<i>Alberta Provincial Statutes</i>
-------------------------------	------------------------------------

<b>Purpose:</b>	The intent of the Gas Leak Reporting Incentive is to identify and address gas leaks problem areas by encouraging prompt reporting of gas leaks by the public.
-----------------	---

## Policy Statement and Guidelines:

### 1. INCENTIVE PROGRAM

- 1.1 The Gas Leak Reporting Incentive Program will preserve and enhance the viability of the Natural Gas Utility by encouraging the County residents to report any gas smell.
- 1.2 It is in Smoky Lake County’s best interest is to rectify conditions creating gas loss and protect the public health, safety and welfare of the County residents.
- 1.3 Public engagement will enable the Natural Gas Department Personnel to respond in a more timely manner to stop detected gas loss and minimize the severity of gas loss.

### 2. INCENTIVE REWARD

Anyone reporting a gas smell that leads to a confirmed underground gas leak (as confirmed by a Natural Gas Department Technician) will be rewarded:

- 2.1 \$100.00 cheque
