Meeting Recessed

Meeting recessed for Lunch, time 12:01 p.m.

Meeting Reconvened

The meeting reconvened on a call to order by Reeve Craig Lukinuk at 12:39 p.m. in the presence of Council members, the Chief Administrative Officer, the Assistant Chief Administrative Officer, Finance Manager, Communications/GIS Director, Public Works Manager, Public Works Shop Foreman, Officer, Peace Officer/Rec. Manager, Agricultural Fieldman, Fire Chief, Environmental Operations Manager, Natural Gas Manager and Recording Secretary.

Five-Year Capital Budget

92-18: Halisky

That Smoky Lake County Council defer adopting the Five-Year Capital Budget for Year 2019-2023 capital projects to allow time to incorporate changes as discussed, this day.

Carried.

Fifteen-Year Vehicle Replacement Plan

93-18: Halisky

That Smoky Lake County Council defer the 2019 15-Year Vehicle Replacement Plan until after the changes are incorporated in the Capital Plan.

Carried.

Fifteen-Year Equipment Replacement Plan

94-18: Orichowski

That Smoky Lake County Council defer the 2019 15-Year Equipment Replacement Plan until after the changes are incorporated in the Capital Plan.

Carried.

Three-Year Road Plan.

The Three-Year Road Plan identifies and prioritizes the roadway improvements required.

Various types of road work affect the budget in different ways. The labour, equipment, and gravel costs are already included in the overall budget so they do not require an extra cash payout. Asphalt, oil, fibermat, and contractor costs require additional cash because they are purchases outside of the organization. For example, it costs \$20,010 per mile of road rehab and \$19,900 per mile of MG-30. The road rehab uses all our own resources, but the MG-30 requires the purchase of product for \$9,800.

The limiting factor for road rehabilitation/base stabilization is time. The length of our summer season restricts how much can be achieved.

For these reasons, the road plan needs to be a careful balance of Oil Treatment/Paving, Fibermat/Micro Surface, Rehabilitation/Base Stabilization, Construction, and Graveling.

We expect to have \$1,619,279 in MSI Capital funding available. We are proposing to use \$457,250 to the graveling program (formerly called the rural transportation portion). \$400,000 towards the purchase of the grader, and \$752,000 towards oiling and road rehab.

Because we rely so heavily on the MSI Capital and don't know if the program will be extended beyond 2019, administration is recommending that we contribute \$200,000 to reserves to start a fund for future road projects.

95-18: Gawalko

That Smoky Lake County Policy Statement No. 03-18: 2019-2022 Three-Year Road Plan be deferred to the next Budget Meeting.

Carried.

Addition to the Agenda:

Public Works Department: Remembrance Day Closure

96-18: Orichowski

That Smoky Lake County approve to close the Main Office located at 4612 McDougall Drive, Smoky Lake and the Public Works Shop located at 5004 50 Street, Smoky Lake, on Monday, November 12, 2018 in lieu of Remembrance Day; and employees will return to work as needed in the event of an emergency.

Carried.

Cold Mix for Bridges

97-18: Cherniwchan

That Smoky Lake County defer discussion on Cold Mix for Bridges to a future County Council Meeting.

Carried.

Barrels of Sealant Oil for Patching

98-18: Gawalko

That Smoky Lake County defer discussion on Barrels of Sealant Oil for Patching to a future County Council Meeting.

Carried.
